

BottomLine
CONCEPTS™

Helping American businesses reinvest in themselves

Client Process Overview

Bottom Line Concepts (BLC) is a performance-based tax recovery consulting firm. Over the past 14 years, BLC has grown into the recognized leader in government aid and the Employee Retention Credit (ERC) Program. BLC is a global firm who serves a diverse client base across many industries with companies from every sector representing top accounting firms, law firms and the Fortune 1000.

ERC is a government stimulus program designed to help those businesses that were able to retain their employees during the Covid-19 pandemic. Established by the CARES Act, it is a refundable tax credit - that you can claim for your business.

We are a customer obsessed business singularly focused on our mission to educate American business on the ERC and help them reinvest in themselves and their future.

READY TO GET STARTED? Book a meeting with one of our qualified ERC Advisors. Our team will give you a high-level overview of the ERC program, ensuring we address all of your questions and concerns. Our process for ERC is focused on efficiency and quality for our customers.
